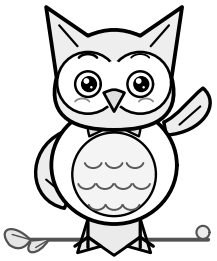
PAPILUMO / Answer key

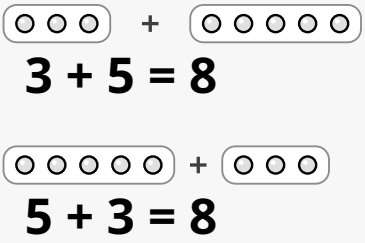
Turnaround addition facts

Solve both additions on each card. Compare the answers.



Nora swaps her groups of seeds. Is the total still the same?

Look: the amounts stay the same.



Your turn! Complete both additions on each card.

1

2 + 7 = 9

7 + 2 = 9

2

4 + 8 = 12

8 + 4 = 12

3

3 + 6 = 9

6 + 3 = 9

4

5 + 9 = 14

9 + 5 = 14

5

0 + 8 = 8

8 + 0 = 8

6

7 + 9 = 16

9 + 7 = 16

Changing the order of the two numbers does not change their sum.
