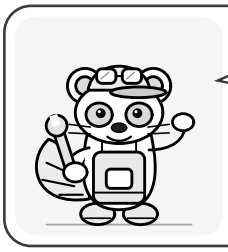
Trace Leo’s Race Car

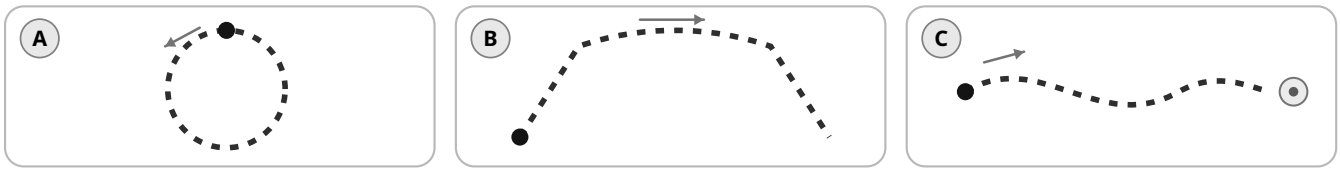
Warm up your hand at the top, then trace all the dotted lines of Leo’s car and color it in.



Leo the mechanic raccoon is getting his car ready for the big race. Trace every line carefully before the start!

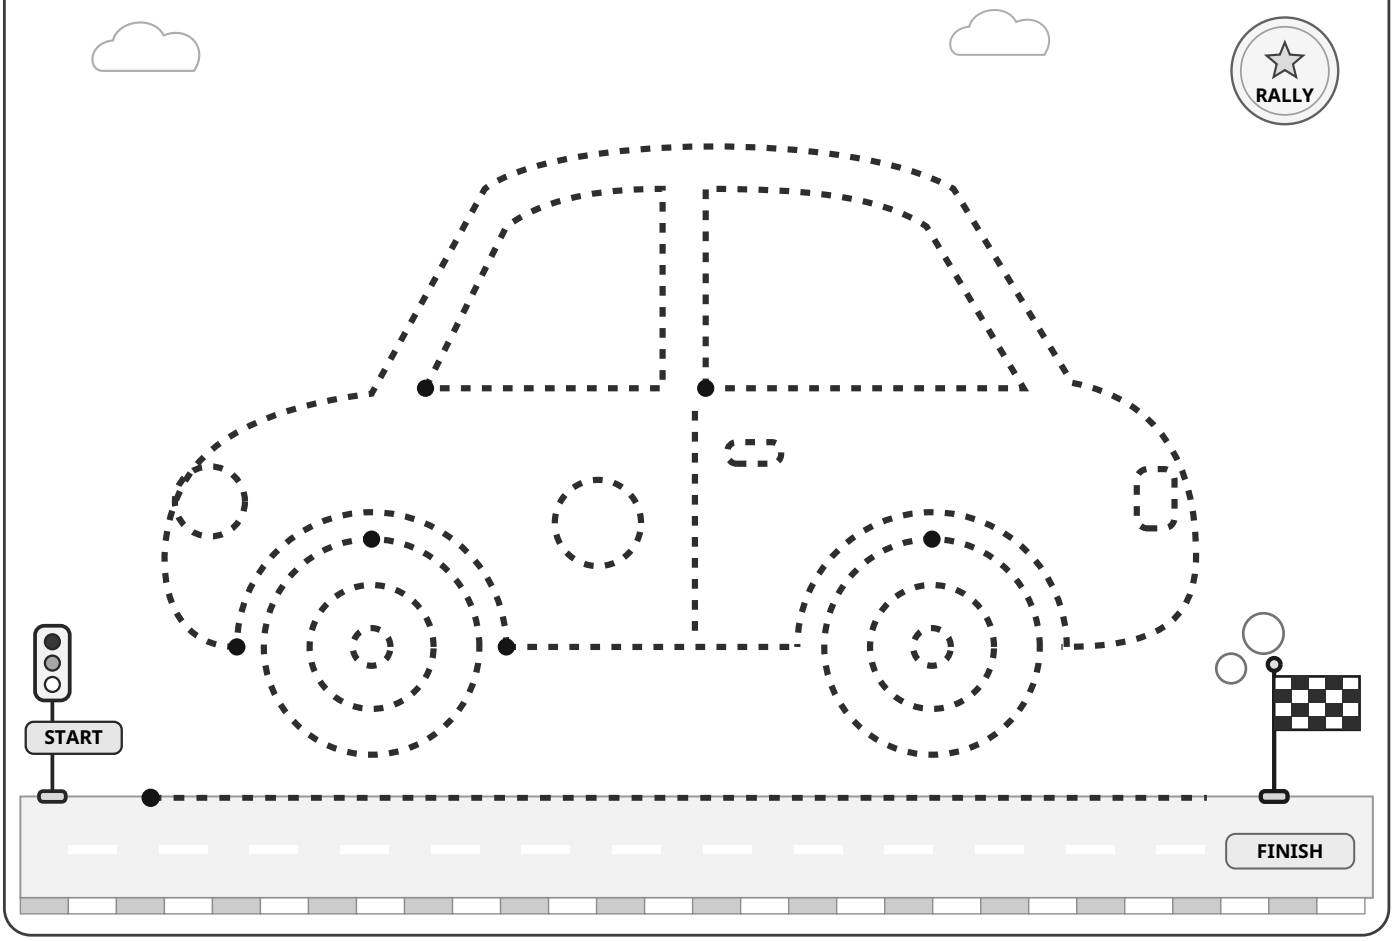
GUIDE ● → **Black dot** | **Trace lines** | **Color in!**

1. Three warm-up strokes (round wheel, roof arch, curved road line)



2. Trace over the dotted car carefully, then color the picture

100%



! Tip: always start at each black dot and steer your pencil slowly around the round wheels.
