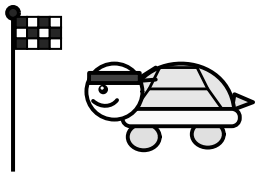
Name : _____ Date : _____

PAPILUMO / 1st Grade (ages 6–7)

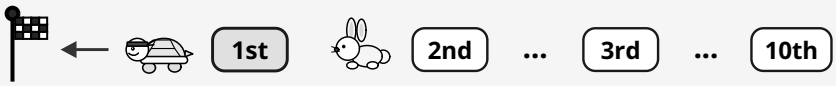
Ordinal Numbers: 1st to 10th

Look at the finish flag on the left, write each animal's ordinal position, then mark the matching train cars.

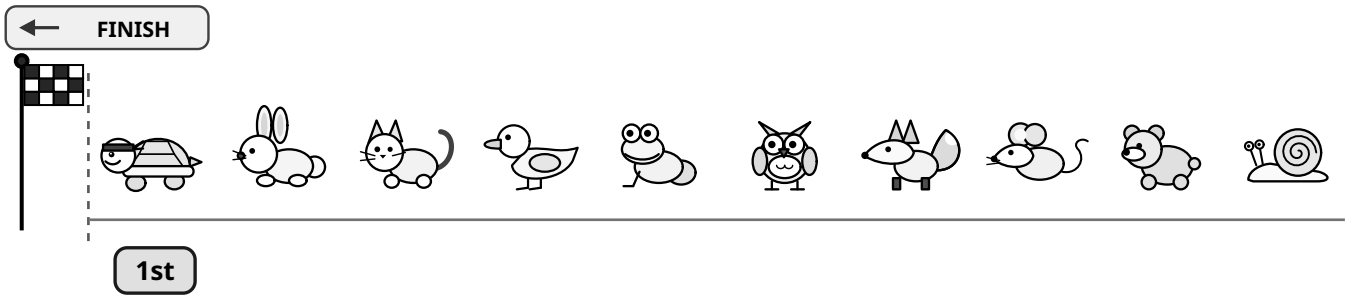


Big woodland race! Lulu the turtle dashes toward the checkered finish flag on the left. Help every runner find its place!

Example: the finish flag sits on the left -> the turtle right beside it is 1st, then count 2nd, 3rd...



1. Check the ten racers heading toward the finish flag on the left and write six positions



1 Rabbit _____

2 Duck _____

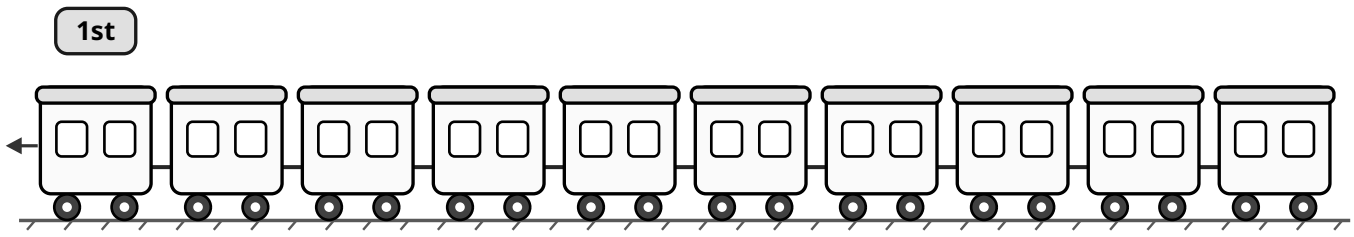
3 Frog _____

4 Fox _____

5 Bear _____

6 Snail _____

2. Count the ten train cars from left (1st) to right and draw the four requested marks



- Circle the 3rd car
- Put a cross on the 6th car
- Underline the 8th car
- Shade the 10th car

Tip: always begin at the finish flag on the left (1st) and count steadily from one racer to the next without skipping.
