

Mimos Picknick: gerecht teilen

Zeichne für jeden Keks einen Punkt auf die Teller. Jeder Teller bekommt gleich viele.

Mimo die Maus bereitet ein Picknick vor. Hilf ihr, alle Kekse gerecht zu verteilen!

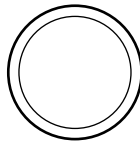

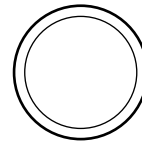

Beispiel: 6 Kekse, 2 Teller

3 auf jedem Teller. $3 + 3 = 6$.

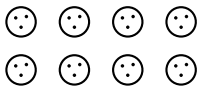

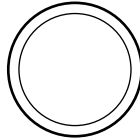

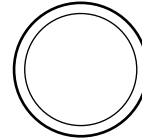

Gib jedem Teller einen Keks. Wiederhole die Runde, bis alle verteilt sind.

1. 4 Kekse für 2 Teller

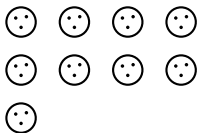

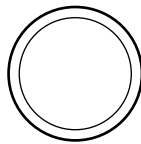

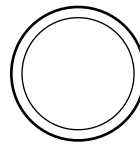

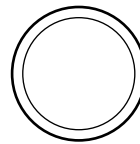

Pro Teller:

2. 8 Kekse für 2 Teller

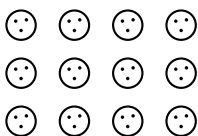

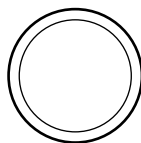

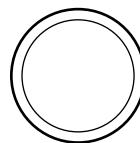

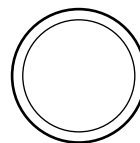

Pro Teller:

3. 9 Kekse für 3 Teller

Pro Teller:

4. 12 Kekse für 3 Teller

Pro Teller:

Prüfe: Auf jedem Teller liegen gleich viele Kekse. Kein Keks bleibt übrig.
