

Name : _____

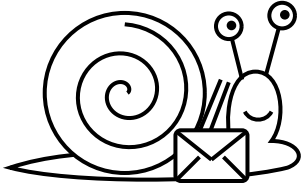

Date : _____

PAPILUMO / Answer key

Missing numbers from 1 to 50

Write the missing numbers. Count on by 1 in each row.

Gaston the mail snail needs the missing numbers to deliver his letters!

Example: crossing into the next ten

After 19 comes 20, then 21. Add 1 each time.

1 to 10

1	2	3	4	5	6	7	8	9	10
---	----------	---	----------	---	---	----------	---	---	-----------

11 to 20

11	12	13	14	15	16	17	18	19	20
----	-----------	----	----	-----------	----	----	-----------	----	-----------

21 to 30

21	22	23	24	25	26	27	28	29	30
-----------	----	----	-----------	----	----	-----------	----	----	-----------

31 to 40

31	32	33	34	35	36	37	38	39	40
----	-----------	----	----	-----------	----	----	-----------	----	-----------

41 to 50

41	42	43	44	45	46	47	48	49	50
-----------	----	----	-----------	----	----	-----------	----	-----------	----

Two last numbers for Gaston

Between 29 and 31:

30

Just after 39:

40

Read each row from left to right. Then continue on the next row.
