PAPILUMO / Answer key

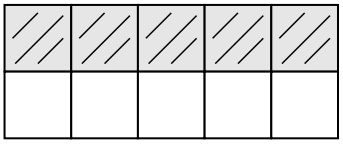

Tenths models with Mina

Read the models, complete the numbers, then shade the grids.

Mina the beaver makes mosaics with 10 tiles. Help her describe the patterns!

Example: five tenths

$\frac{5}{10}$ = **0.5**

The whole rectangle represents 1.

5 out of 10 cells are shaded: 5/10 = 0.5.

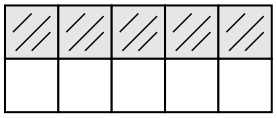

1. Write the numerator and the decimal.

1.

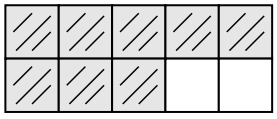

$\frac{2}{10}$ = 0.2

2.

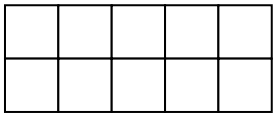

$\frac{5}{10}$ = 0.5

3.

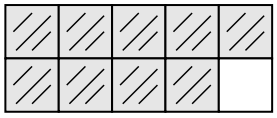

$\frac{8}{10}$ = 0.8

4.

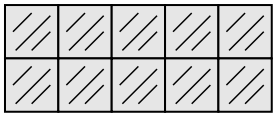

$\frac{0}{10}$ = 0.0

5.

$\frac{9}{10}$ = 0.9

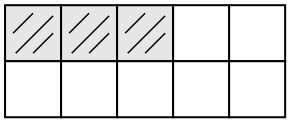

6.

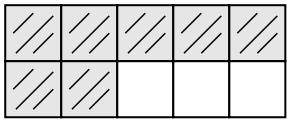

$\frac{10}{10}$ = 1.0

2. Shade the part shown by each decimal.

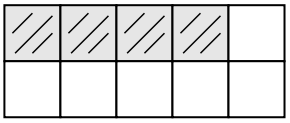

7. **0.3**

8. **0.7**

9. **0.4**

Each rectangle is 1 whole. Its 10 cells are equal; each cell is one tenth.
