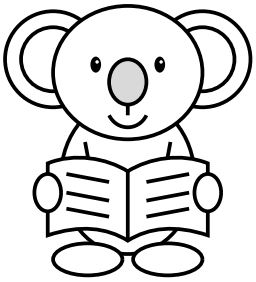
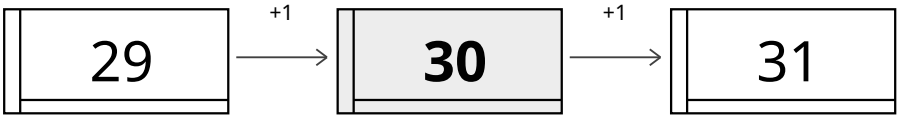
Before and after with Kimi

Write the number just before and the number just after.

Kimi the koala is sorting books. Help him find the neighboring numbers!



Example: around 30



29 comes just before 30; 31 comes just after.

Your turn: complete the eight shelves!

	Just before	Given number	Just after
1.	13	**14**	15
2.	26	**27**	28
3.	38	**39**	40
4.	49	**50**	51
5.	67	**68**	69
6.	78	**79**	80
7.	89	**90**	91
8.	97	**98**	99

Count by ones across each shelf. Each row is a separate question.
