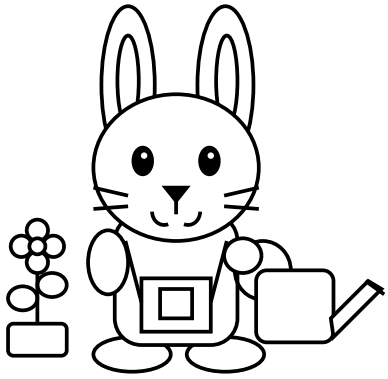
PAPILUMO / Answer key

Skip Counting by 20s to 620

Fill in the empty boxes. Add 20 at each arrow.

Iris the rabbit is numbering her garden signs. Help her find the missing numbers!



Example: crossing a hundred

80 →(+20) **100** →(+20) 120

80 + 20 = 100; then 100 + 20 = 120.

Garden path 1

20 → 40 → **60** → **80** → **100** → **120**

Garden path 2

120 → **140** → 160 → **180** → **200** → **220**

Garden path 3

220 → **240** → **260** → 280 → **300** → **320**

Garden path 4

320 → **340** → 360 → **380** → **400** → **420**

Garden path 5

420 → **440** → **460** → 480 → **500** → **520**

Garden path 6

520 → **540** → 560 → **580** → **600** → **620**

Start each row at its given number. Check that every jump adds 20.
