Opposites Picture Match

Look at the day / night model, draw a line from each picture on the left to its opposite on the right, then circle the opposite in the two bottom rows.

Lina the otter is sorting her picture cards in pairs. Help her match every opposite!

Model: DAY matches its opposite NIGHT.

DAY — NIGHT

1. Draw a line from each picture on the left to its opposite on the right

HOT	SAD
HAPPY	SMALL
OPEN	COLD
BIG	SLOW
UP	CLOSED
FAST	DOWN

2. Circle the picture that shows the opposite of the model (A and B)

A — FULL → FULL | EMPTY | APPLE

B — LONG → STAR | LONG | SHORT

Tip: say each picture aloud (“hot”, “cold”) before drawing a steady line from dot to dot.
