First, Next, Last: Story Order (1, 2, 3)

Look at each mixed-up 3-picture story, then write 1 (first), 2 (next), and 3 (last) inside the square boxes below.

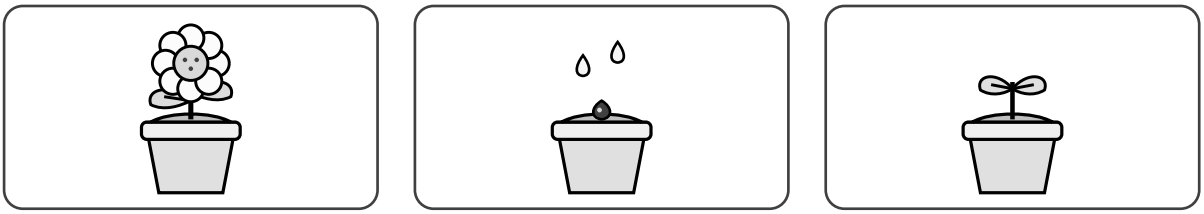

Lulu the storytelling turtle loves 3-step tales, but her picture cards got jumbled! Help her number every story 1, 2, 3 in order.

Example: 1. Whole apple (first) • 2. Bitten apple (next) • 3. Apple core (last)

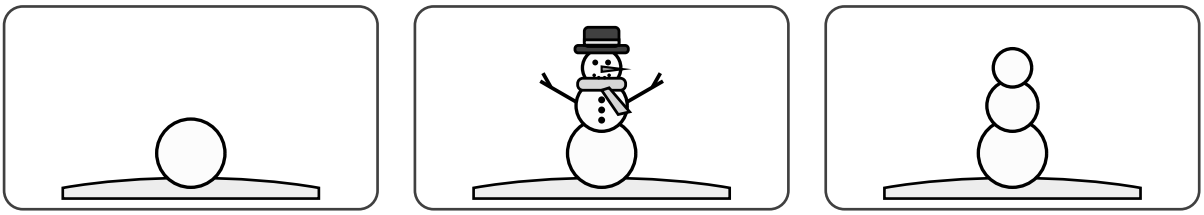

Write 1, 2, or 3 under each picture to put the four stories in order:

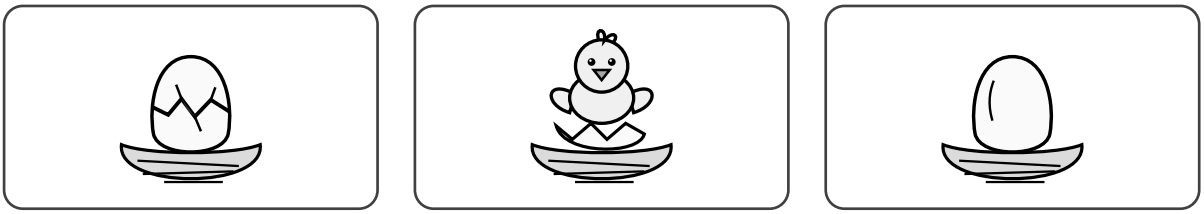

A

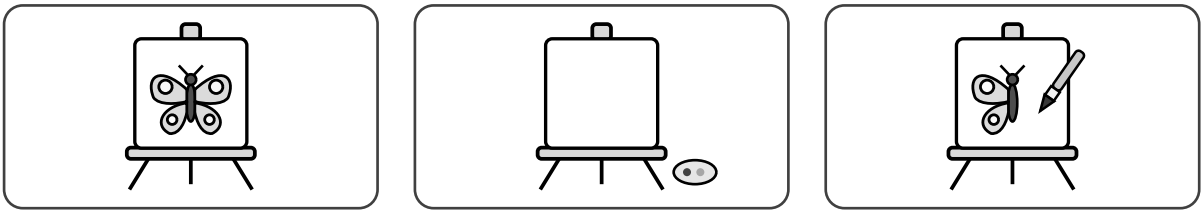

B

C

D

Tip: spot what happens very first (1) and what looks completely finished at the end (3), then place the middle step (2).
