Name : _____ Date : _____

PAPILUMO / Kindergarten (ages 5–6)

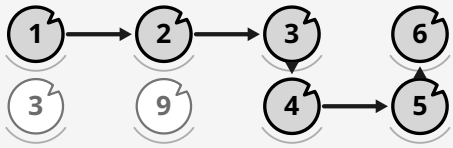

Number Maze: 1 to 20

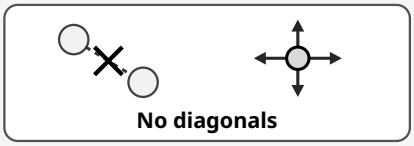

Trace the path from 1 to 20 by hopping horizontally or vertically to the next number (+1). No diagonal jumps!

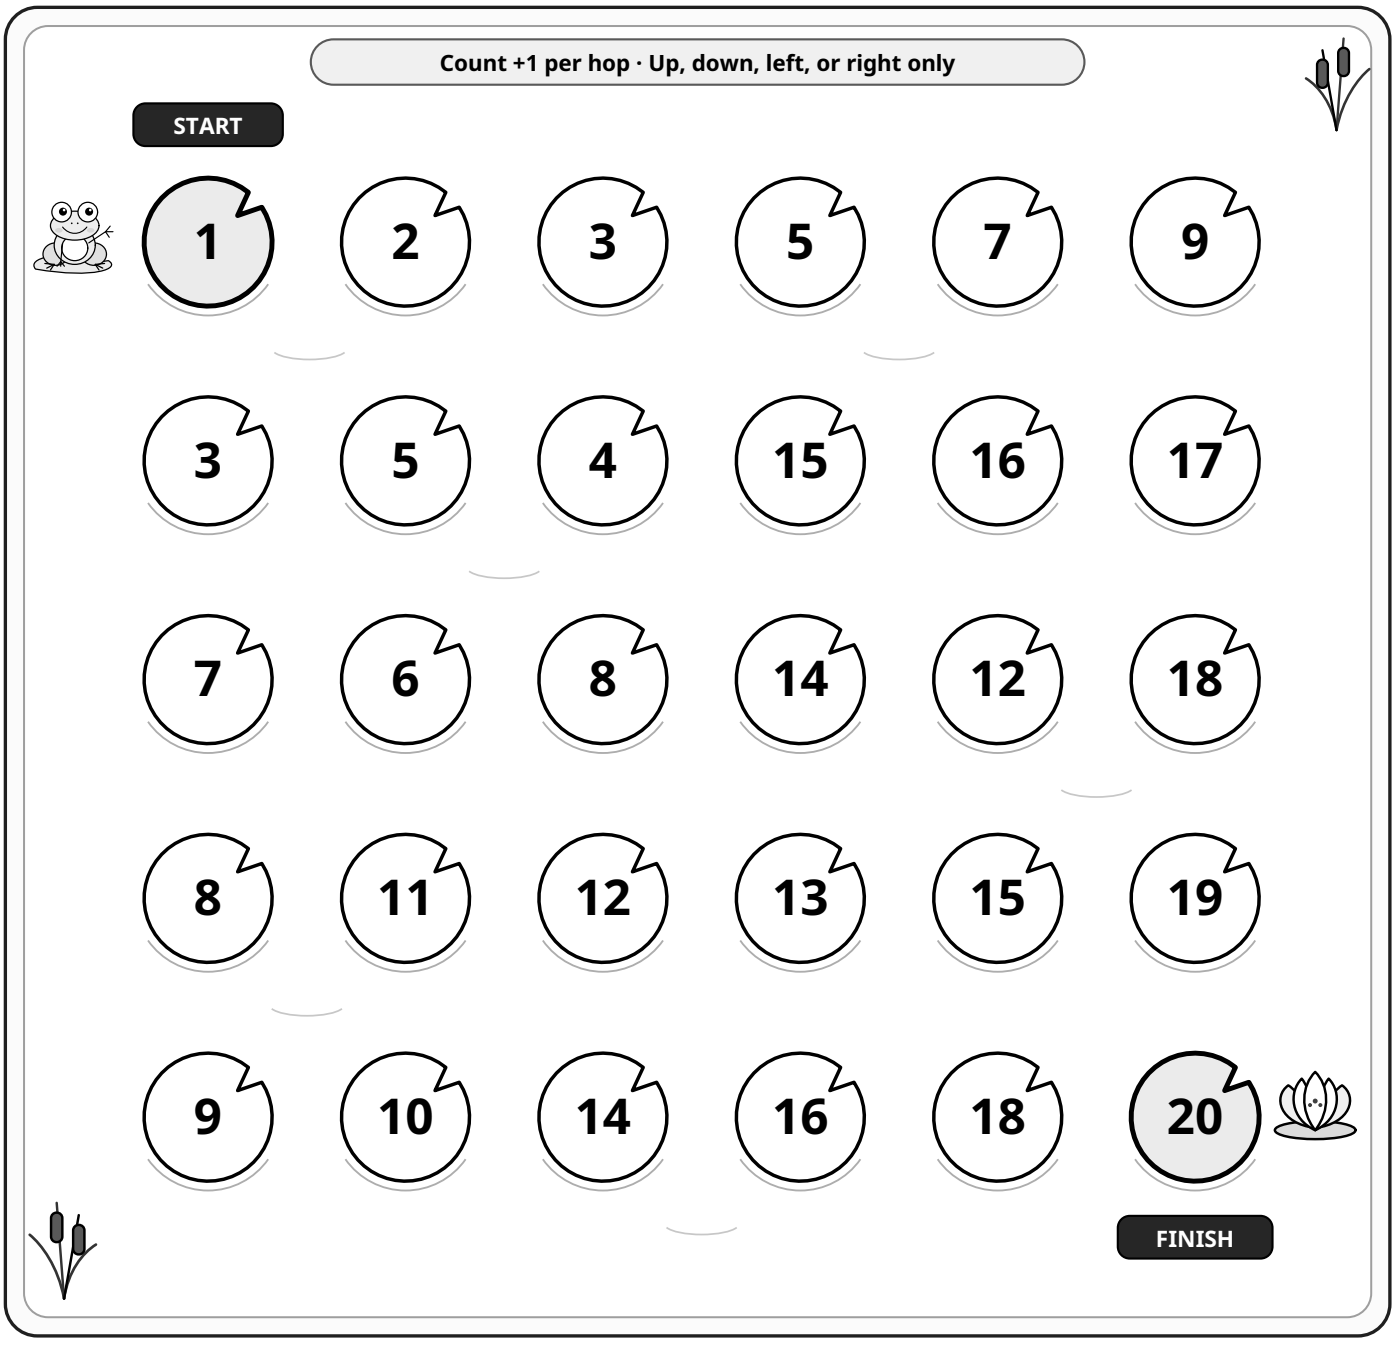

Bibi the frog wants to reach the pond flower at 20! Help her hop strictly in order 1, 2, 3… all the way to 20.

Worked example: hop 1 to 6 (+1 each step, horizontal or vertical only)

1. Help Bibi the frog cross the pond from START (1) to FINISH (20)

Tip: say each number aloud and check the next number (+1) before drawing your line to the neighboring lily pad.
