Color by Number 6 to 10: Owl on a Branch

Read the number in each space and color it with the matching pencil from the color key.

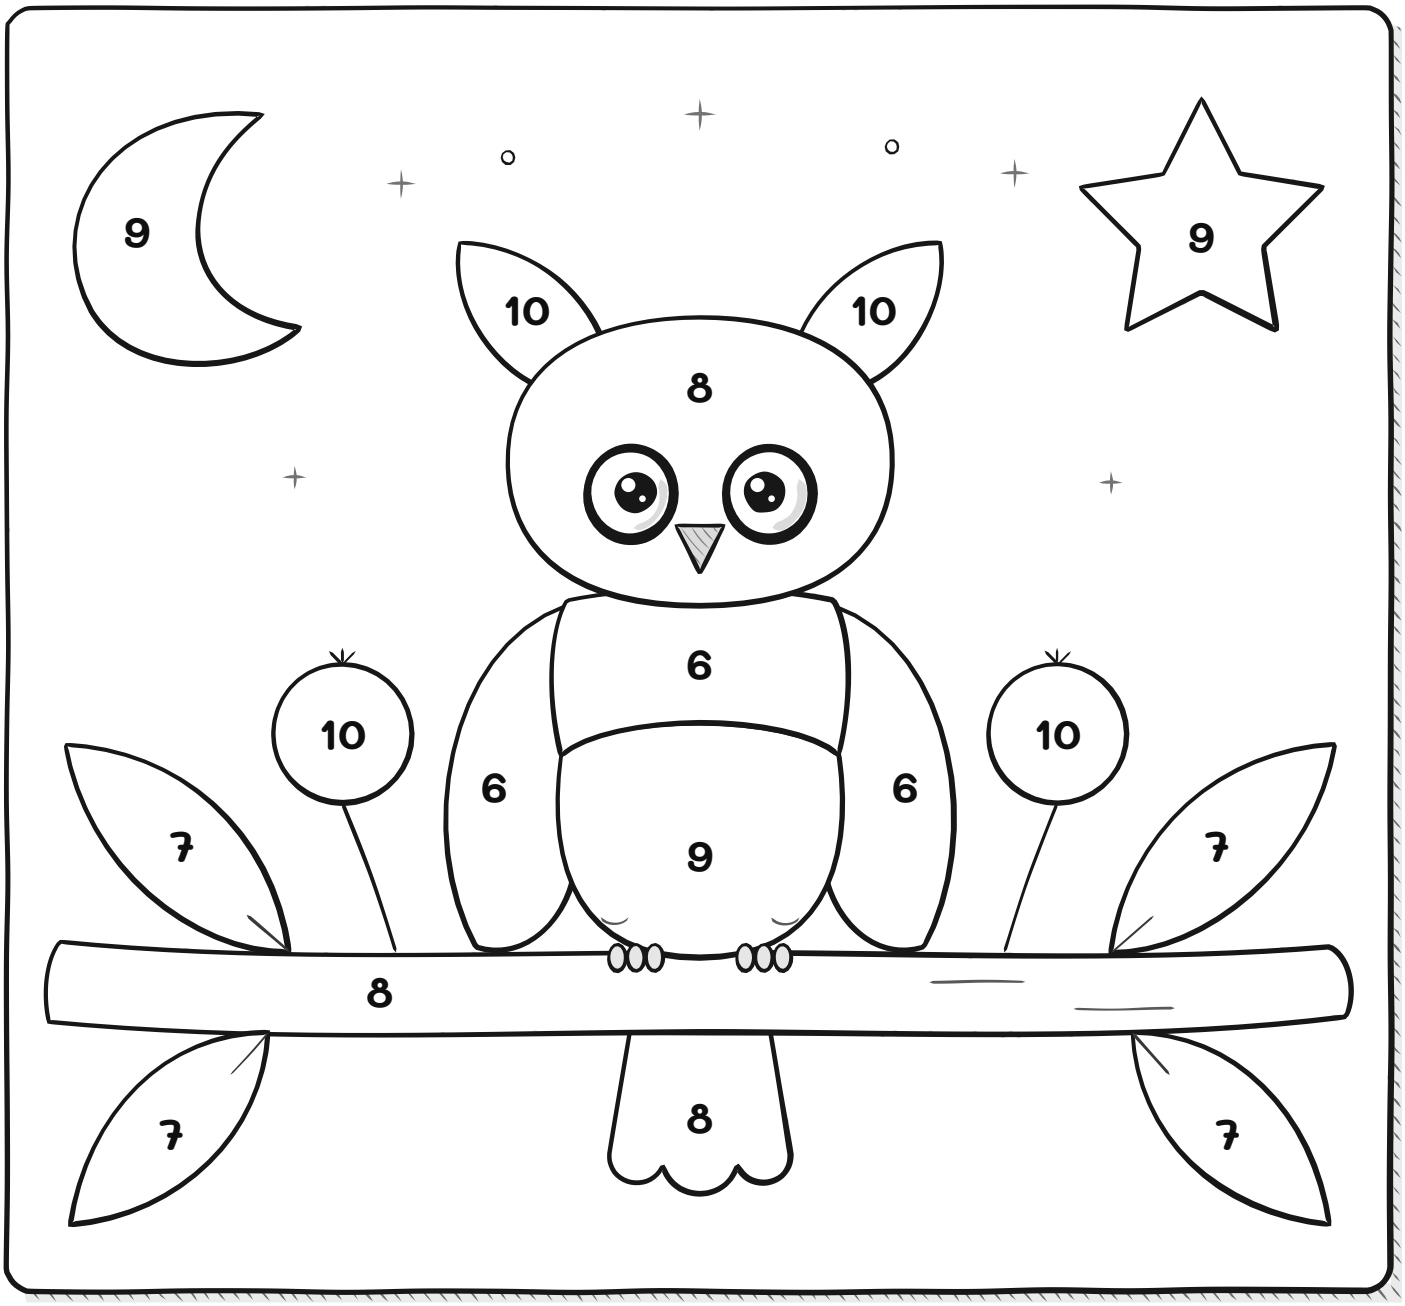

Hi there! I'm Plume the painter owl. Help me color this cozy night scene using numbers 6 to 10!

Example 9 = yellow

Key 6–10 With an adult, color the five crayons in the key strip to set up your visual guide.

6	7	8	9	10
blue	green	brown	yellow	orange

The same number always uses the same color. There are 17 numbered spaces in the picture.
Tip: Leave spaces without numbers white, including the night sky background and the owl's eyes.
