PAPILUMO / Pre-K (ages 4–5)

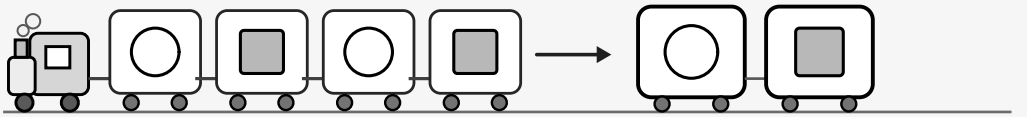

Complete the Shape Pattern

Look at the six shapes in each strip, spot the repeating rule, and draw the next two shapes in the dashed boxes.

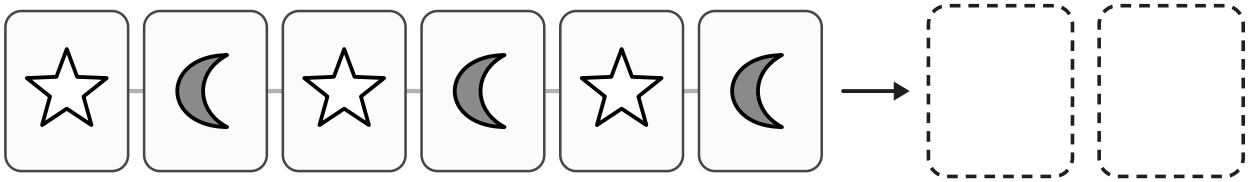

Zia the pattern marmot is building shape trains! Spot each row's rhythm and draw the next two shapes.

Example (ABAB): circle, square, circle, square -> next two are circle and square

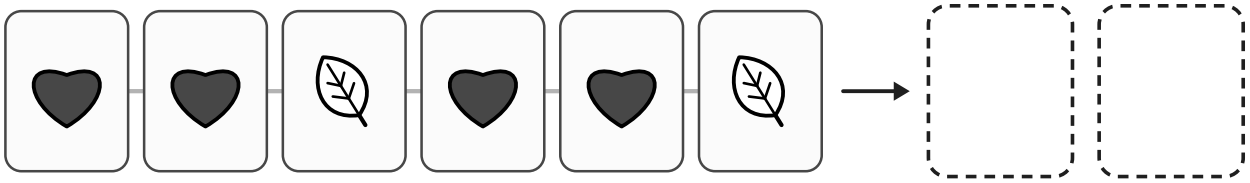

1. Follow each six-shape strip and draw the next two shapes in the dashed boxes
