Count 1 to 5 and Circle

Touch and count each group of pictures slowly, then circle the matching big number pill on the right.

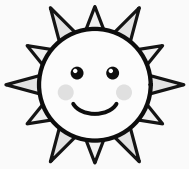

Point to each picture as you count, then circle the right number!

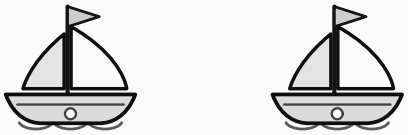

Nilo the little bear is counting nature treasures from 1 to 5! Help him circle the matching number.

Worked example: count 2 stars and circle 2

Count the objects in each row and circle the matching numeral pill on the right:

1. 
   → 1 | 2 | 3

2. 
   → 3 | 2 | 4

3. 
   → 2 | 4 | 3

4. 
   → 4 | 5 | 2

5. 
   → 3 | 5 | 4

Nilo's tip: tap each picture once as you say 1, 2, 3... out loud, then circle only one big number in each row!
