# Where Is the Sound? Start, Middle, or End

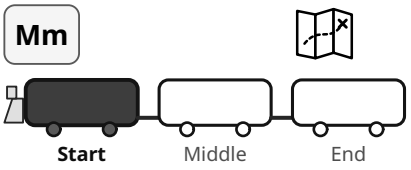

Say each picture word out loud, listen for the target letter sound, and shade the matching train car: Start, Middle, or End.

Choo-choo! Kiko the Parrot's sound train has three cars: Start, Middle, and End. Where do you hear the target sound?

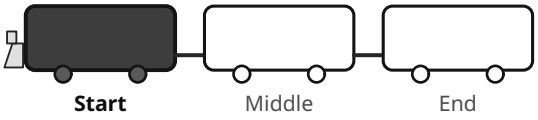

**Example: /m/ in map -> Start**

**Mm**

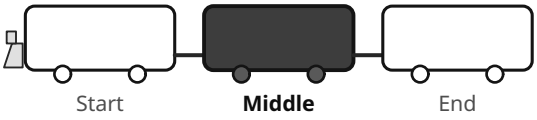

**1.** **Ss** **s**un

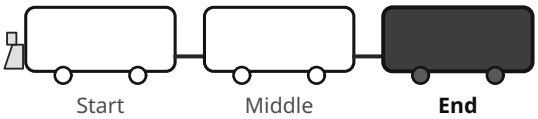

**2.** **Mm** le**m**on

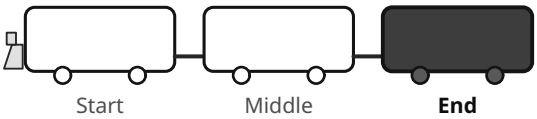

**3.** **Ll** ow**l**

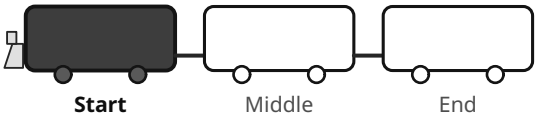

**4.** **Pp** cu**p**

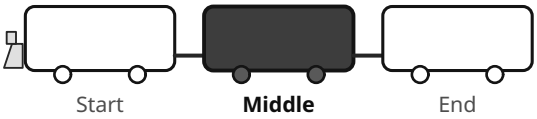

**5.** **Tt** **t**ree

**6.** **Rr** fo**r**k

Kiko's tip: stretch the word slowly like a rubber band to hear whether the sound comes first, inside the middle, or right at the end.
