PAPILUMO | Preschool (ages 3–4)

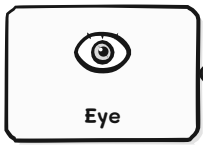

Five Senses and Everyday Pictures Match

Draw a line from each sense on the left to the matching object on the right, then circle the right picture in each bottom row.

Nilo the Curious Bear is sniffing a bright garden daisy! Help him match each sense to what he notices every day.

Example: Eye -> Picture Book

1. Match each sense on the left to the everyday object on the right

Eye (sight)	Bell
Ear (hearing)	Strawberry
Nose (smell)	Picture Book
Tongue (taste)	Fluffy Teddy Bear
Hand (touch)	Flower

2. Look at the pictures and circle the right sensory choice in each row

A Circle what you can smell:

Flower

Drum

Sock

B Circle what makes a sound you hear:

Bell

Apple

Pillow

Nilo's tip: point to each sense on your own face or hand and name the object aloud before drawing your line!
