Name : _____ Date : _____

PAPILUMO / 1st Grade (ages 6–7) • Answer key

Compare Expressions Within 20 (<, >, =)

Find the value of each side in the small box below it, then write <, >, or = inside the large center circle.

Pico the Fox is weighing two calculation cards! Write each intermediate total below first, then choose <, >, or = in the circle.

Example: 8 + 5 [13] < 7 + 7 [14]

8 + 5		7 + 7
13	<	14

1

9 + 4		18 - 5
13	=	13

2

16 - 7		4 + 4
9	>	8

3

7 + 6		15 - 3
13	>	12

4

19 - 9		5 + 5
10	=	10

5

6 + 8		9 + 7
14	<	16

6

17 - 8		14 - 3
9	<	11

7

8 + 9		20 - 4
17	>	16

8

15 - 6		3 + 8
9	<	11

9

7 + 8		19 - 4
15	=	15

10

14 - 5		12 - 4
9	>	8

Pico’s tip: always point the narrow tip of < or > toward the smaller calculated number!
