

PAPILUMO / DOUBLES PLUS ONE - ANSWERS

Doubles plus one with Pip

Find the double, then add 1 to get the second answer.

Pip has one extra spot on her right wing. Help her count!

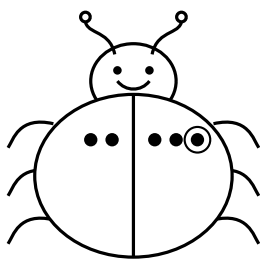

Example: find the double, then add 1.

$$1 + 1 = 2$$

$$1 + 2 = 3$$

1.

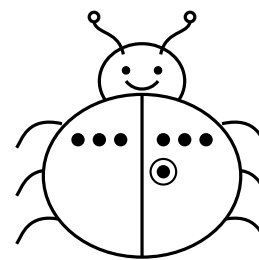

The double

$$2 + 2 = \boxed{4}$$

Then + 1

$$2 + 3 = \boxed{5}$$

2.

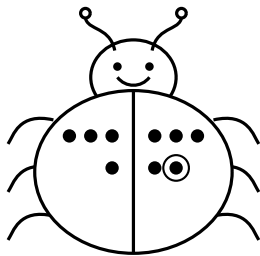

The double

$$3 + 3 = \boxed{6}$$

Then + 1

$$3 + 4 = \boxed{7}$$

3.

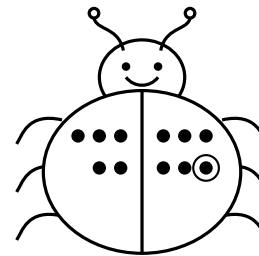

The double

$$4 + 4 = \boxed{8}$$

Then + 1

$$4 + 5 = \boxed{9}$$

4.

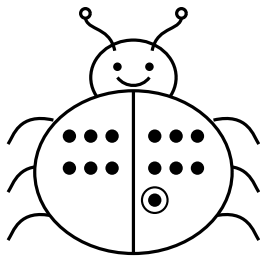

The double

$$5 + 5 = \boxed{10}$$

Then + 1

$$5 + 6 = \boxed{11}$$

5.

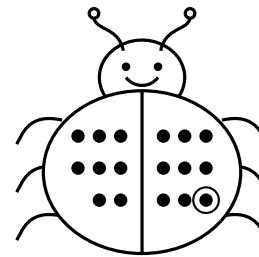

The double

$$6 + 6 = \boxed{12}$$

Then + 1

$$6 + 7 = \boxed{13}$$

6.

The double

$$8 + 8 = \boxed{16}$$

Then + 1

$$8 + 9 = \boxed{17}$$

The circled spot is the extra one. Count it too!

Tell Pip how the first answer helps you find the second.
