

Missing numbers from 51 to 100

Write the missing numbers. Count on by 1 across each row.

Mila the mole is sorting seeds. Help her replace the missing numbers on her seed cubbies!

51		53	54		56		58		60
61		63		65	66		68	69	
71	72		74		76	77		79	
81		83	84	85		87			90
91	92		94		96	97		99	

Three quick checks

1. Which number comes right after 59?

2. Which number is directly above 84?

3. Which number is directly below 67?

Read each row from left to right. Then check the columns.
