PAPILUMO / Infanzia (4–5 anni)

Trasporti: terra, acqua o aria?

Collega ogni mezzo alla sua zona (strada, mare o cielo), poi scrivi quanti sono in ogni casella.

Toto il tucano pilota sta ordinando i suoi sei mezzi prima del decollo: aiutalo a capire dove viaggia ciascuno!

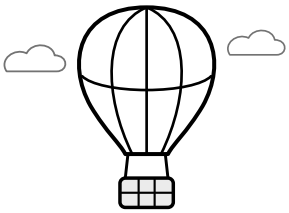

Esempio: La bicicletta va sulla strada.

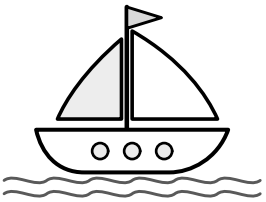

1. Collega ogni mezzo alla sua zona e scrivi quanti ce ne sono sotto
