PAPILUMO / Infanzia (4–5 anni)

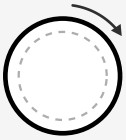

Tutto sul cerchio

Ricalca i cerchi tratteggiati, conta i lati dritti e gli angoli, poi cerchia gli oggetti tondi.

Un cerchio è tutto tondo: ha 0 lati dritti e 0 angoli!

Esempio: il cerchio

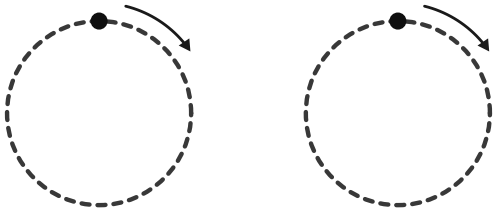

0 lati dritti

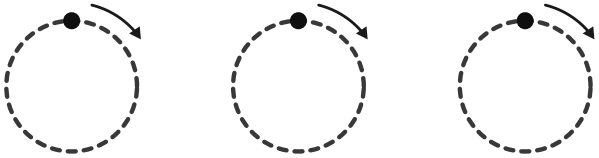

0 angoli / vertici

1. Ricalca i cerchi grandi e medi lungo i puntini

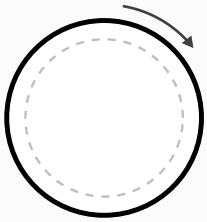

Cerchi grandi

Cerchi medi

2. Osserva il cerchio e scrivi quanti lati dritti e quanti angoli ha

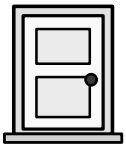

Lati dritti

Angoli / vertici

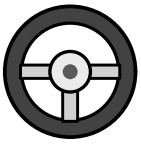

3. Cerchia i quattro oggetti che hanno la forma di un cerchio

Bottone

Porta di legno

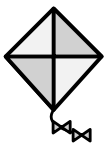

Volante auto

Fetta di pizza

Biscotto con gocce

Aquilone rombo

Orologio da parete

Consiglio di Lila: fai scorrere il dito tutto intorno al cerchio senza mai fermarti su una punta!
