Dov’è il suono? Inizio, mezzo o fine

Pronuncia ad alta voce la parola di ogni figura, ascolta dove si trova il suono indicato e colora il vagone giusto: Inizio, Mezzo o Fine.

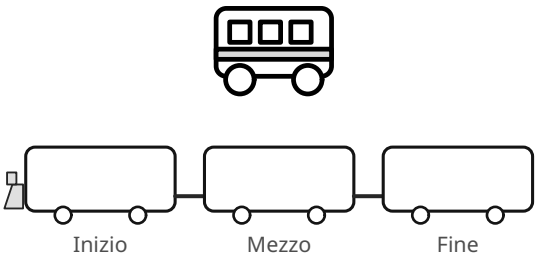

Ciuf-ciuf! Il treno dei suoni del pappagallo Kiko ha tre vagoni. Dove senti la lettera dentro la parola?

Esempio: /m/ in mela -> Inizio

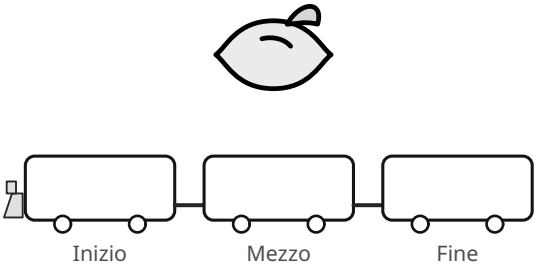

Mm

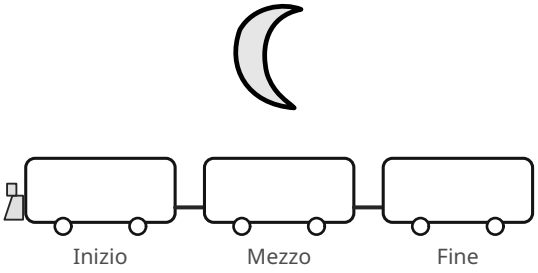

1. **Ss**

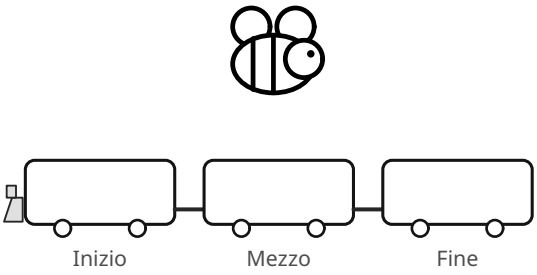

2. **Mm**

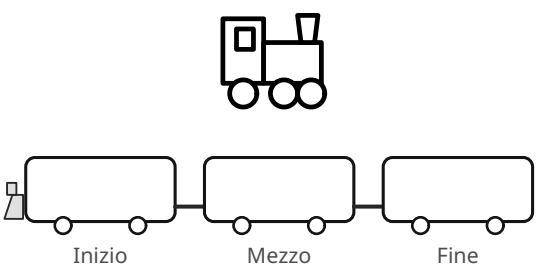

3. **Ll**

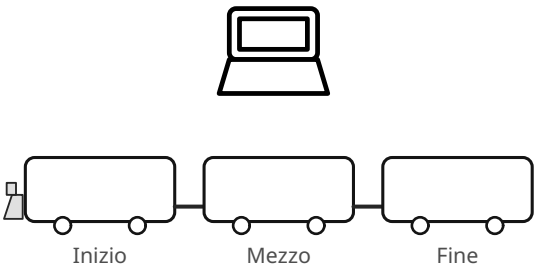

4. **Pp**

5. **Tt**

Consiglio di Kiko: pronuncia ogni parola lentamente seguendo i tre vagoni con il dito per capire dove si nasconde il suono.
