La merenda di Mimo: parti uguali

Disegna un punto per ogni biscotto nei piatti. Metti lo stesso numero in ciascuno.

Mimo il topolino prepara la merenda. Aiutalo a distribuire tutti i biscotti!

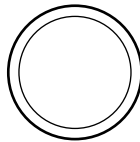

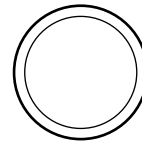

Esempio: 6 biscotti, 2 piatti

3 in ogni piatto. $3 + 3 = 6$.

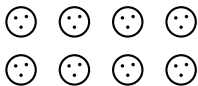

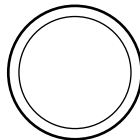

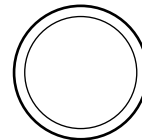

Dai un biscotto a ogni piatto e ripeti finché li hai distribuiti tutti.

1. 4 biscotti per 2 piatti

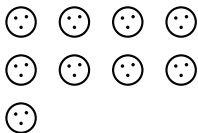

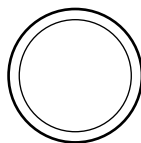

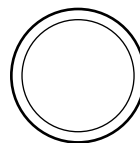

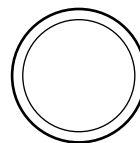

In ogni piatto:

2. 8 biscotti per 2 piatti

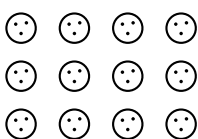

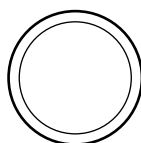

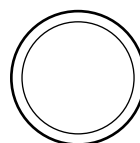

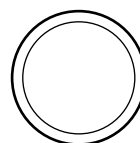

In ogni piatto:

3. 9 biscotti per 3 piatti

In ogni piatto:

4. 12 biscotti per 3 piatti

In ogni piatto:

Controlla: ogni piatto contiene lo stesso numero e non avanza nessun biscotto.
