

Le goûter de Mimo : partage équitable

Dessine un point par biscuit dans les assiettes. Mets-en autant dans chacune.

Mimo la souris prépare le goûter. Aide-la à partager tous les biscuits !

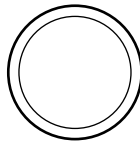

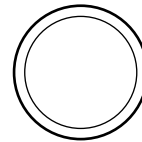

Exemple : 6 biscuits, 2 assiettes

3 dans chaque assiette. $3 + 3 = 6$.

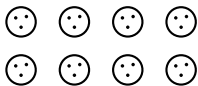

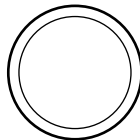

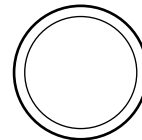

Distribue un biscuit à chaque assiette, puis recommence jusqu'à épuiser le tas.

1. 4 biscuits pour 2 assiettes

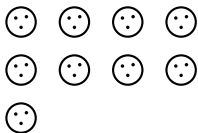

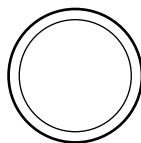

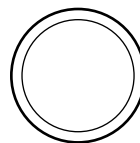

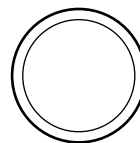

Par assiette :

2. 8 biscuits pour 2 assiettes

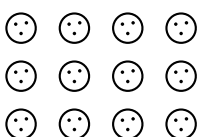

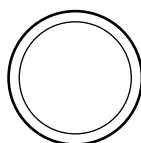

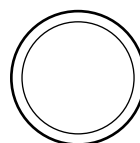

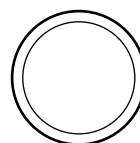

Par assiette :

3. 9 biscuits pour 3 assiettes

Par assiette :

4. 12 biscuits pour 3 assiettes

Par assiette :

Vérifie : même nombre dans chaque assiette et aucun biscuit oublié.
