

Contar de 6 em 6 até 72

Soma 6 em cada passo. Completa as quatro casas vazias de cada linha.

A ratinha Pia prepara caixas com seis botões. Ajuda-a a contar!

Exemplo: mais uma caixa acrescenta seis botões

Cada caixa tem 6 botões. Os números mostram o total acumulado.

Entrega 1

6	→	12	→		→		→		→	
---	---	----	---	-------	---	-------	---	-------	---	-------

Entrega 2

12	→		→	24	→		→		→	
----	---	-------	---	----	---	-------	---	-------	---	-------

Entrega 3

18	→		→		→	36	→		→	
----	---	-------	---	-------	---	----	---	-------	---	-------

Entrega 4

24	→		→	36	→		→		→	
----	---	-------	---	----	---	-------	---	-------	---	-------

Entrega 5

30	→		→		→	48	→		→	
----	---	-------	---	-------	---	----	---	-------	---	-------

Entrega 6

42	→		→	54	→		→		→	
----	---	-------	---	----	---	-------	---	-------	---	-------

Confirma cada passo: o número seguinte tem de ser 6 unidades maior.
