Nome : _____ Data : _____

PAPILUMO / 2.º ano (7–8 anos)

Cruzes numéricas: +1, −1, +10, −10

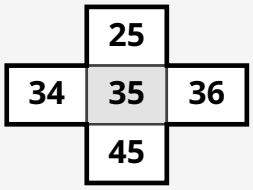

Completa as seis cruzes do quadro de 1 a 100 à volta do centro e parte da casa sombreada nos dois desafios inversos.

Zia, a toupeira, desenterrou oito peças em cruz do grande quadro de 1 a 100. Ajuda-a a descobrir todos os vizinhos escondidos!

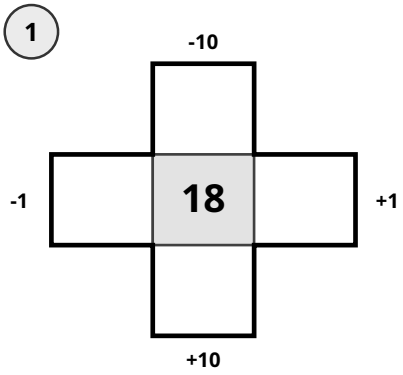

Exemplo guiado: centro 35

- ↑ **Cima −10**
- ↓ **Baixo +10**
- ← **Esquerda −1**
- → **Direita +1**

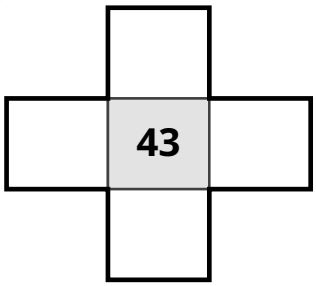

1. Completa as seis cruzes somando ou subtraindo 1 e 10 a partir do centro

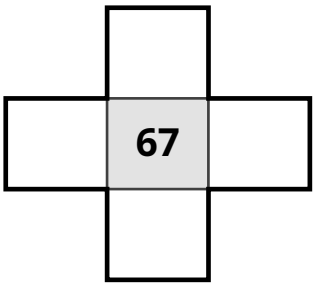

1

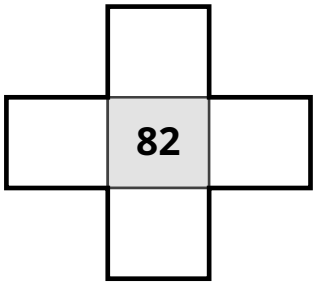

2

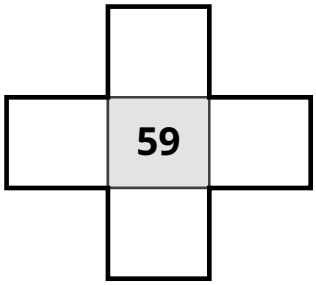

3

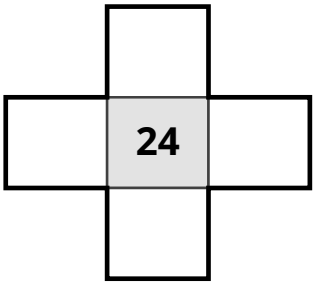

4

5

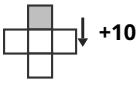

6

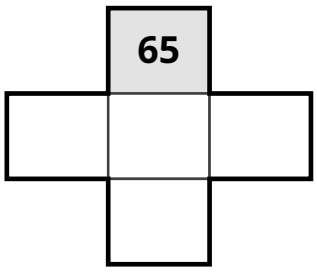

2. Desafio inverso: descobre primeiro o centro e completa depois toda a cruz

A **Casa de cima: 65**

Desce (+10) até ao centro

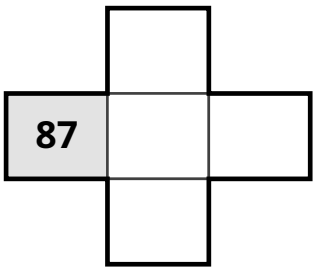

B **Casa da esquerda: 87**

Avança (+1) até ao centro

Dica: subir ou descer uma linha muda as dezenas (±10); andar para a esquerda ou direita muda as unidades (±1).
