Flores, pétalas e folhas para traçar

Aquece a mão nas pétalas ovais e folhas pontiagudas, depois cobre as 4 flores a partir dos pontos pretos e pinta.

Bzz pelo jardim! A abelha Flora voa de flor em flor. Cobre cada pétala, caule e folha a partir do ponto preto e pinta!

Exemplo: pétalas de margarida

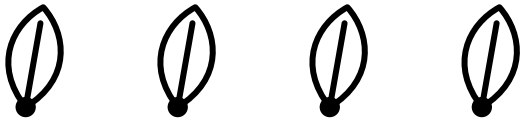

1. Aquecimento: traça 4 pétalas em laço oval e 4 folhas pontiagudas com nervura

4 pétalas ovais

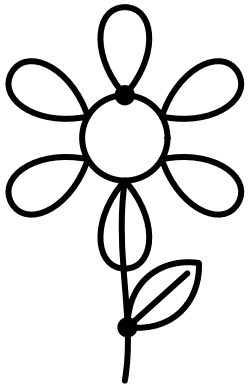

4 folhas pontiagudas

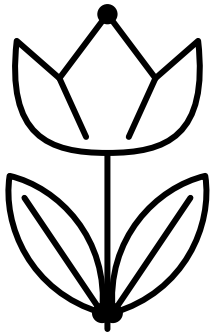

2. Segue os tracejados das 4 flores do jardim a partir dos pontos pretos e pinta

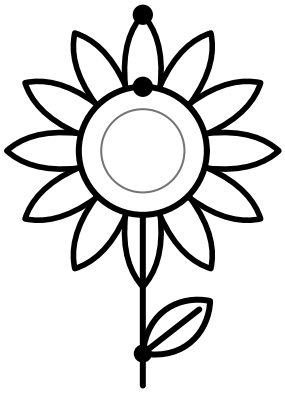

1. Margarida de 6 pétalas

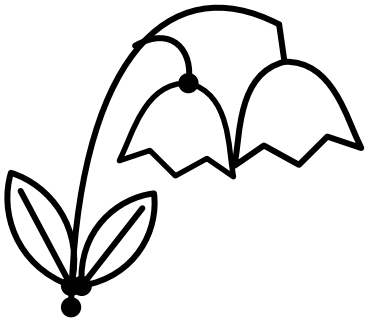

2. Tulipa com duas folhas

3. Girassol grande

4. Haste com duas campainhas

Dica da Flora: roda suavemente à volta do centro em cada pétala e une bem os dois arcos na ponta de cada folha.
