PAPILUMO / Pré-escolar (4–5 anos)

Desenhar a quantidade exata (4 a 10)

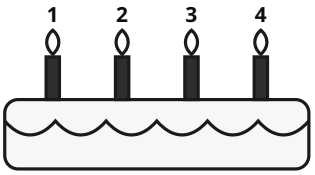

Lê o número grande em cada cartão e desenha exatamente essa quantidade no modelo em branco.

O esquilo Biscotte tem seis desafios criativos! Conta em voz alta enquanto desenhas cada coleção exata de 5 a 10.

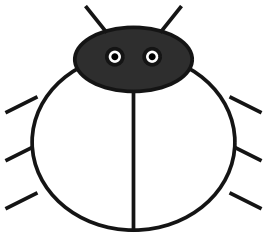

Exemplo: 4 velas (1, 2, 3, 4)

4

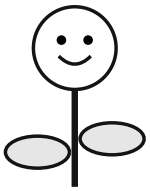

Desenha exatamente a quantidade pedida em cada um dos seis modelos (de 5 a 10)

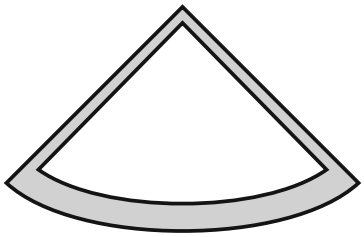

5 **pintas na joaninha**

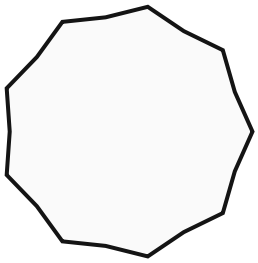

6 **pétalas à volta da flor**

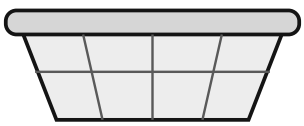

7 **sementes na melancia**

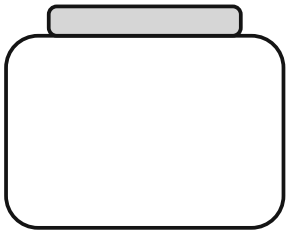

8 **pepitas na bolacha**

9 **bagas na cesta**

10 **estrelas no frasco**

1	2	3	4	5	6	7	8	9	10
•	••	•••	••••	•••••	••••••	•••••••	••••••••	•••••••••	••••••••••

Dica do Biscotte: conta devagar 1, 2, 3... enquanto desenhas cada item e para logo no número certo – usa a barra 1–10 em baixo!
